Thank you for considering the City of Colorado Springs for your upcoming film project. Completion of the Film Permit Application is the first step in the planning process to secure the necessary permits for projects that require exclusive use of any City street, sidewalk or alleyway.

Please complete all applicable sections of the Film Permit Application. **Incomplete, illegible, and/or unsigned applications will NOT be processed.** Information that’s specific to your film may be added to the end of the application. An application checklist has been provided below to assist you with the types of information REQUIRED to complete a Film Permit Application. - Site plan
- Filming timeline

Film Permit Applications can be submitted as early as twelve (12) months prior to filming and no later than seven (7) days.
